Canones De Ecclesia.

The Augsburg Universal Gazette, frequently used by the Bavarian Government as the medium for making public intelligence respecting the Council at Bome, has published the Comones de Ecclesia, being that part of the Syllabus in the new dogmatic scheme laid before the Council expressed in a positive form. These anons, as translated from the German, are as follows:

OF THE CHURCH OF CHRIST. Canon I. Whoever says the religion in life fortune has been kind to you, led le thankful for its surfes.
An'dina grudge to help along the man that's dreed its wiles.
If honest poverty you meet, Hand oot a helpful han't you only do what's richt when ye Do a' the guid ye can. of Christ consists and is expressed in no particular community established by Christ Himself, but is duly ob-served and exercised by individuals for themselves without regard to any community which is the true Church Twas said lang syne by ane that ken't An' what he says believe,
The better far, at any time,
To give than to receive.
Then Ot be save you hear in min'
To follow mercy's plan,
An' to the ulmost of your power
Do a' the guid ye can.

of Christ-let him be accursed. Canon II. Whoever says the Church has received from Christ no defined and unchangeable constitution, but, like other communities of men, has been subjected to changes and alterations in different times, or can be subjected to them-let him be accursed Canon III. Whoever says the Church of the divine promise is not an external and visible consumity, but altogether internal and invitable -let him be accursed.

Canon IV. Whoever says the that Rite, with an earnest and ex-Church is not a single body, but consists of the different and scattered produces will allow, and Masonic incommunities of Christian name, and poured out over the same, or, the field of usefulness is before them, different communities diverging from ready for labor, and that to cultivate each other in their confession of faith it is a duty. and separated from the union form, as members or parts, the one and univer-sal Church of Christ-let him be ac-tion. In every clime, a Mason finds a Canon V. Whoever says the Church dient to the laws, it engages in no

of Christ is not a community alto-gether necessary to external salva-tion, or, man can be saved through it knows no sects, no form of worship, the exercise of any religion—let him no church dogma, and no priest-craft be accused.

Jew and Gentile; Hebrew and Chris

Canon VI. Whoever says that in- tian; the man without the law, and tolerance with which the Catholic Church regards and condemns all religious sects that have separated from her is not prescribed by divine law, or as to the truth of religion only or as to the truth of religion only trestie board of life that may have at trestie board of life that may have at speen stions, and not certainty exist, and consequently all religious seets should be tolerated by the Church— of Existence; and inquire not whether let him be accursed. Canon VIL Whoever says even

this Church of Christ can sink in darkness or be pointed with errors through which she may go astray from the blessed truth of the faith, depart from her original state, or, corrupt and degenerate, may cease to exist -let him be accursed.

Canon VIII. Whoever says the existing Church of Christ is not the best | ian Masons. In the Ancient and Acand highest institution to obtain saled through a new and more perfect Degrees, conferred in Lodges of Perpouring out of the Holy Ghost-let fection (14th); the Historical Degrees, him be accursed.
